MOHAWK VALLEY COMMUNITY GRANGE

The Mohawk Valley Community Grange is committed to serving and promoting our community through activities with our families, friends, and neighbors.

WHAT IS A GRANGE?

Originally founded as

The Patrons of Husbandry

the Grange is a non-profit organization with roots in agriculture and a mission of advocacy to meet the challenges of rural living.
Granges debate, discuss, and advocate for policy, not parties.
The Grange led the way on issues such as women's rights, free rural mail delivery, and rural electrification and today advocates for rural broadband.

Mohawk Valley Community Grange continues the tradition of connecting the community through fun, food, education and entertainment for a stronger, more sustainable rural life.
